revealing the green man is designed to impart a practical revelation of a deep and ancient mystery through actual archaeological and historic case studies which point to personal intellectual and spiritual enlightenment affecting everyone alive today the book is not just a lazy stroll through entertaining stories of some lost mystery cult but a resurrection of a long and ancient religion as old as time itself which is now challenging us to care for our environment here in the modern world the green man proves himself to be a great deal more than a cute chubby face peering at us through a veil of leaves rather he could be said to be a true representation of the very essence of life itself
